

The LPD Mighty Mag

The LPD Mighty-Mag is a compact, all-stainless-steel magnetic strainer with 1.5" NPT ends. The Mighty Mag is ideal in small-diameter systems that utilize ECM pumps.

- 1.5" NPT Ends
- Large internal screen area
- Same Magnet technology as the flanged LPD
- All stainless steel construction

Low Pressure Drop Threaded Strainer with Magnetic Insert

Part Number	Pipe Size	A	B	Screen Area (in ²)	Blowoff Size (NPT)	Weight (lbs)
